

Transform your AP Department with Payment Automation

“After a staff member transitioned out of our department, partnering with Paymerang allowed us to gain major efficiencies, redistribute duties and avoid the pains of rehiring.”

- Corporate Controller, Community Hospital -

 **80%-90%**
Reduction in Cost

 **80%**
Time Saved
on payment processing

 **90%**
Steps Eliminated
in payment processing

 **5x More**
Payments Processed
in the same amount of time

How It Works

you **upload**

When it is time to pay your vendors, all you do is upload your payment file.

you **fund**

You can review your batch to make sure it's correct, and fund all your payments with the touch of a button.

we **remit**

Using innovative payment decisioning technology, we remit payment and remittance details to your vendors via email, fax, telephone or online.

we **reconcile**

We reconcile all your payments. Canceled or refused payments are promptly refunded back to you.

What You Get

greater **efficiency**

through reconciliation of all payments made through our network

more **security**

through encrypted account data and two levels of authentication

greater **speed**

through quick set up and an easy-to-use interface

ongoing **support**

through a dedicated team of payment specialists
