

Call for Member Presentations!

Showcase Your Patient Safety Work

THA PSO invites member organizations to share their work and learn from one another by presenting impactful patient safety initiatives and quality improvement projects at the THA PSO Spring Safety Summit. This is an opportunity to highlight what is working at your organization and exchange ideas with peers across the state.

We are seeking engaging presentations that highlight:

- Innovative strategies to enhance patient safety and reduce harm
- Data-driven outcomes and measurable impact
- Participation through Q&A, case studies, or facilitated discussion
- Clear, practical, and scalable takeaways for replication
- Interdisciplinary collaboration and team-based solutions

Suggested Focus Areas Informed by 2025 Top PSO Events:

- Patient and Family Engagement
- Fall Prevention
- Medication Errors and Medication Management
- Diagnostic Delays and Errors

Who Can Present? (Individual and team presentations welcome)

- Clinicians (physicians, nurses, allied health professionals)
- Quality and patient safety leaders
- Frontline staff and improvement teams
- Administrators and managers

Submission Details:

- Presentation Format: 30 – 90 minute presentation, including Q&A
- Deadline for submission: *Tuesday, March 17*

Complete Interest Form [HERE](#)

Event Details:

 Thursday–Friday, April 30–May 1, 2026 | 8:30a – 4:00p

 THA Offices | Austin, Texas
